## HOT GAMES LIKELY

This Afternoon's Contests on the Gridiron Field.

PRIZES FOR THE BOWLING LEAGUE

Whist Nights at the Columbia A. C.

## CURRENT SPORTING NEWS

While the Washington gridirons will be desolate and deserted today, the foot ball lovers of the city will intently watch the scores received from out-of-town games. The Young Men's Christian Association eleven left for Portsmouth, Va., last evening, where they will face the team representing the athletic club of that place today. The team is weakened through the absence of several strong players, but notwithstanding a good report is expected from the Y. M. C. A. representatives.

Of the other outside games those in which the "Big Four" will be engaged are the most prominent and interesting. Cambridge, Mass., will undoubtedly have the call today in the matter of interest. The Hardy Indian lads from Carlisle have arrived in that place and will confront the great Harvard eleven today. The wearers of the crimson have been "tipped" off by all the experts to be the best team on the field this season, and a victory is, of course, looked for. The Harvard team is a tough proposition, and a very close game can be counted on.

Out in Chicago the next attractive game of the day will be played between the Pennsylvania lads and the university boys of the windy city. As the Quakers have been twice defeated in this season, and the Chicagoans are said to be very strong, another defeat is expected to float their way. Should the Philadelphians brace up and score a victory, they would be a great saver for their followers at home, and probably brace the team up enough to make a respectable showing against the Harvard lads.

The Princeton "Tigers" have arrived at Ithaca, and will face Cornell today, and here another very hot game is expected. The New Yorkers have developed wonderful strength of late, while the New Jersey lads have failed to improve in their work.

Yale and Columbia will meet in New York, and a victory is assured the wearers of the dark blue, the local team contenting itself with holding the score down as low as possible.

## BOWLING.

A Fine Collection of Prizes Donated for Local Teams and Players.

A meeting of the District Amateur Bowling League was held at the Golden Eagle Bowling Club Wednesday evening and the final details preliminary to the opening of the playing season were acted upon. The committee appointed to consider a revision of the playing rules submitted the addition of a new rule, as follows:

The captain of any team may withdraw a player in any game at any time and substitute another or others, but such removed player shall not be eligible to enter some game again. The score shall be continued in the name of the player beginning the game.

No other changes were made. The committee on prizes has succeeded in getting a fine collection of rewards for the teams and players appearing to best advantage at the close of the season. The list is as follows:

Handsome trophy, donated by South Washington Business Men's Bowling Club; permanent property of club winning same.

Trophy donated by clubs composing the league; property of club winning championship.

Gold medal, donated by Mr. Louis Brandt for highest individual average in forty-five or more games.

Medal donated by Mr. George A. Stitt for highest individual number of strikes in any game.

Regulation tenpin ball and bag, donated by Mr. Fred C. Schleich for greatest number of games of 200 or better in forty-five or more games.

Billiard ball, donated by Mr. Chas. Dietz, 7th and P streets northwest, for highest individual single game.

Regulation tenpin ball, donated by Mr. H. C. Stiles for second highest individual game; holder of any other prize disqualified.

Handsome prize, donated by Armstrong Bros., for best average of strikes and spare combined in forty-five or more games.

Booby prize, donated by Mr. George T. Coffey for lowest average.

The opening games will be played next Wednesday evening between the new Golden Eagle Club and the South Washington Business Men's. The match will be at the latter club's alley. Considerable interest attaches to the game, as the South Washington team is a new one, and the material, and the Eagles, with a few known quantity in team work, number some of the best players in the District.

Already in progress, with the Baltimore clubs are being arranged, and the first of these will occur at Carroll Institute a Catholic Club will play a series of three games with the local team.

The Columbia, who have always been active in engaging in the game, are also after dates and are expected to be competing with several of the monumental city attractions.

The District league annual hand book was issued today and contains the revised playing rules, the complete schedule and a mass of information to bowlers. Copies can be obtained at any of the league alleys.

**WHIST.**  
Two Nights a Week to Be Devoted to It by the C. A. C.

The whist committee of the Columbia Athletic Club held its last meeting this season last Tuesday night at the home of the club, and the most encouraging reports were received. For the past month or more applications for admission to the whist circle of the club have been pouring in on Chairman Macey, and as a result a dozen or more names were posted on the bulletin board last Tuesday night for membership.

At the meeting of the committee it was decided to devote two nights each week to whist, Tuesday night being the regular whist night, and Saturday night duplicate play will be indulged in exclusively. It was further decided that the club will welcome additions to the whist group, and every consideration will be shown visitors as to accommodations for play and social intercourse. Among the next members proposed for membership last Tuesday night were "Uncle Nick" Young and the well-known whiststers, Harvey, Miller and Jackson, from Capitol Hill, and who the Columbia Athletic Club created a great boom in local whist circles by throwing them into the game last season.

It is expected that another large batch of names will be added to the whist circle at the next meeting of the committee.

**BASKET BALL.**  
Organization Effected and Officers Elected for the Local League.

From all indications basket ball will flourish locally more this winter than it has in any previous season, and interest in the game will no doubt be much stronger and more widespread than heretofore. The sport last year reached a very high standard, which it will be hard to surpass, but with a few number of clubs of more experienced and better players composing the District National Basket Ball League for 1899-1900 no reason exists why there should not be improvement in this season's games.

At a meeting held this week of two representatives from each organization applying for membership to the league, six teams were entered, they being the Washington Light Infantry, Carroll Institute, Corcoran Cadet Corps, Eastern Athletic Club, Central High School and the Young Men's Christian Association. The first five of these teams were members of last year's league of eight

teams and the three clubs which will not be represented this year are the Mount Pleasant, Quaker Wheelmen and the Washington Athletic Club, whose clubs have been disbanded. The newcomer is the Young Men's Christian Association.

Officers of the league, as elected at the above meeting, are: President, Mr. S. Porter House of the Washington Light Infantry, who has now been promoted with this office for the third successive term; vice president, Mr. Robert Clokey, unattached formerly of the Carroll Institute; secretary, Mr. John F. Robertson of the Central High School, and treasurer, Mr. Ridenour of the Young Men's Christian Association.

Admission to the Amateur Athletic Union of America has been applied for by the league. The rules of this association are to govern all contests. No professional players will be allowed this year, as was the case in the last season, and all the teams are to be strictly governed by amateur rules.

The preliminary season will be started earnestly next week with two exhibition games, one between the Young Men's Christian Association and Corcoran Cadets teams at the former's gymnasium on Tuesday night, and the second on Wednesday night between Carroll Institute and Washington Light Infantry at the latter's army. The Light Infantry management has arranged to have dancing after the game Wednesday night.

There has been some dispute as to where all league games should be played, the Carroll Institute and Corcoran Cadets preferring to play at a time in the gymnasium, but their wishes will undoubtedly be overruled by the four other teams, whose choice is the Washington Light Infantry army for all games.

Umpire—Mr. L. A. Stern of B. H. S.; referee—Mr. C. Anderson of Gallaudet College; linesmen—Mr. Ryan of B. H. S. and Mr. Chambers of Gallaudet; time keeper—Mr. McCordell of E. H. S.; time of halves—First, twenty minutes; second, fifteen minutes.

## SPARRING.

A Hard Fight Before the Broadway Athletic Club.

At the Broadway Athletic Club, New York, last night, the star attraction was a twenty-five round bout at 138 pounds between Eddie Connelly of St. John, N. B., and Matty Matthews of Brooklyn. They fought the full twenty-five rounds, and Referee John White declared the bout a draw.

It was a hard fight all the way through, and each man was disfigured early in the game. At close quarters Connelly surprised Matthews with stinging rights on the ribs and over the kidneys.

In the seventh round Matty's left eye was badly cut. In the eighth round Connelly caught Connelly flush on the nose with his left and set that organ to bleeding.

The fifteenth round was the most sensational of the fight. The men rushed to a clinch, both pounding hard on the body with both hands until ordered to let go by the referee. As Matthews stepped back Connelly caught him with a left swing on the head, which sent him down to the floor, where he remained about five seconds.

A few moments later Connelly landed a similar blow in a breakaway and Matthews took nine seconds of a rest. Matthews got to close quarters when he got up, and some bruising work over the kidneys was performed by both men. Connelly did the larger share of the fighting here, and with a smashing left respected the cut over Matthews' left eye. Matthews was weak and clinched frequently until the bell rang.

From this to the twenty-first round both men took matters more easily. In the twenty-first Connelly rushed Matty to the ropes twice and Matty clinched each time. Connelly sent his right hand over the kid's head and hooked it twice more to the stomach. Then they exchanged hard lefts on the jaw and the round ended in a clinch.

At the close of the twenty-fifth round Connelly had such a decided lead that it seemed certain he must get the decision, but the referee decided it a draw.

## POLITICS AT PARIS PRIZE FIGHT.

English Champion Knocked Out Amid Cries of "Fashoda."

PARIS, October 28.—The fight for 25,000 francs between Charlemont, the French champion, and "Jerry" Driscoll, former champion of the British navy, this afternoon, resulted in a victory for the former.

There was a great crowd present and the fighting was very hot for six rounds. In the seventh round Driscoll was knocked out by a smashing kick on the leg, the Frenchman being allowed to use his feet, in accordance with the French custom. The seats sold as high as \$40 each.

The Englishmen and several Frenchmen protested against the decision being given in favor of Charlemont, but the majority greeted the announcement with wild shouts of triumph and cries of "Fashoda."

## WILL BE OPEN TO THE WORLD.

The Live Bird Shoot at Sioux City.

CHICAGO, October 28.—A special to the Record from Sioux City, Iowa, says: It has been decided by the Sioux Club of this city that the big two day live bird shoot November 21 and 22 shall be open to the world, and that the second day will be devoted to an interstate handicap shoot of twenty-five birds.

## Trotting on the Brightwood Track.

The racing at the Brightwood track was continued yesterday afternoon, with two running and a mixed event on the card. Lizzie, winner of the first heat the previous day in the half-mile running race, took the second heat yesterday and the race. The race later in the day started in six furlongs heat race, taking the first heat, and running second in the next with Longhorn (Nicholson) driving.

The 2:50 mile race, distancing her field in the third heat, W. A. Brown's Nominations, won the race, with a time of 2:53, the fastest mile ever done on the track to date.

Summary:  
Running race; half-mile heats and repeat (postponed from Thursday); purse, \$50.  
Lizzie (Nicholson)..... 1 2 1  
Gilt Australia..... 2 3  
Moss..... 3 2  
Time—0:22, 0:22.  
Bedford, Harpner and Miss Ray also ran.  
Nellie A. b.m. by Wm. Wilkes, dam  
Gov. (Nicholson)..... 1 2 1  
Gov. (Nicholson)..... 2 3  
George, Jr. (Nicholson)..... 4 1 dis.  
Self..... 1 2 3  
Mamie D. also timed.  
Running race; three-quarters of a mile and repeat; purse, \$50.  
Longhorn..... 0 1 1  
Lizzie..... 2 3 2  
McFoss..... 2 3 2  
Time—1:26, 1:19, 1:21.  
Belie, Australian Little Sales and Bedford also ran.

## Sloan Wins Race at Hurst Park.

LONDON, October 28.—At the Hurst Park October meeting today Sweetbalsam, Sloan up, won the stewards' nursery handicap. The betting was 7 to 1 against Sweetbalsam.

A two-year-old selling plate was won by Westmoreland, ridden by L. Reiff. Sloan rode Candor, unplaced.

The betting was 6 to 1 against Westmoreland and 10 to 1 against Candor.

## Four Favorites Win.

O'Connor and Jenkins divided the Jockey home—An Aqueduct yesterday, O'Connor winning four and Jenkins two of the six races. Four favorites were first to the wire.

The last race, a handicap at five and a half furlongs, was the best of the day. Belle of Memphis was the favorite at 9 to 5, but she was a strong second choice. The six-horse field broke in a good way and Larva made the running to the stretch, with four of the other five so close that there was little to choose between them.

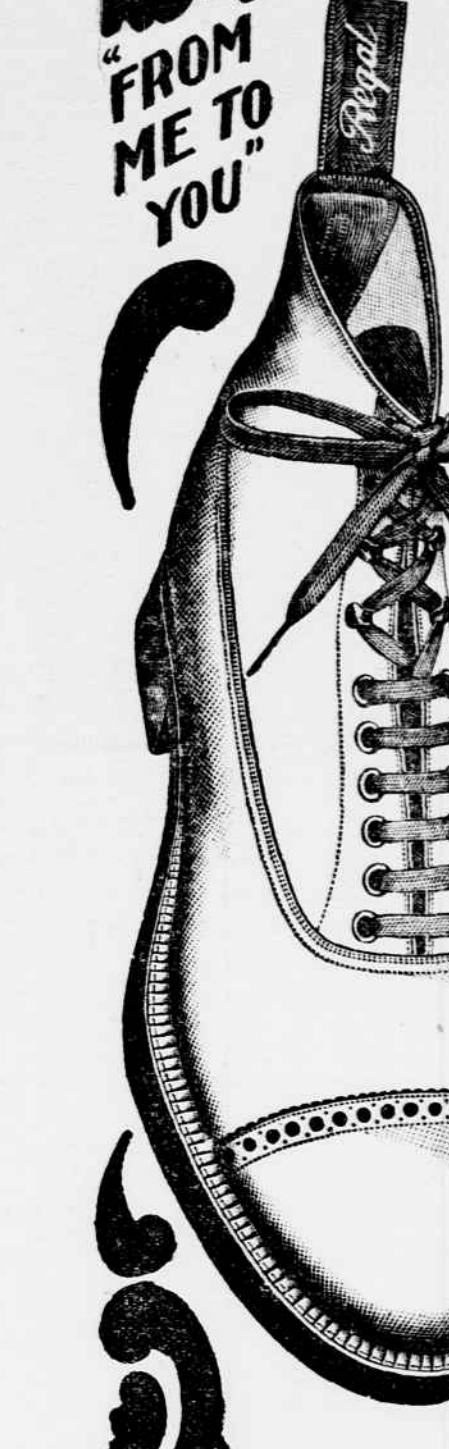

Larva dropped back at the last sixteenth pole and Lady Lindsey showed in front for the last time, but she was not to be. Theory up with a rush and won by a neck.

Gallaudet Reserves, 21; B. H. S. 0.

The good words spoken some time since as to the playing ability of the Gallaudet reserve eleven were verified again yesterday, when they confronted the foot ball team representing the Business High School of this city on Kendall Green, and gained a clean-cut victory of 21 to 0. The Gallaudet reserve eleven was a good team, boys, but in addition to the weight, the mutes were active and decisive in their movements, and for these reasons had a complete victory over the Business High School and the Young Men's Christian Association. The first five of these teams were members of last year's league of eight

There is only one Dent's Toothbrush Co. Be ware of imitations. All Druggists, 15 cents.

## FROM ME TO YOU

**THE REGAL**
